

Atayne was founded in 2007 to inspire positive environmental and social change through the power of active lifestyles. We offer a line of athletic gear made from “trash” (plastic bottles, coconut shells, crab shells, old garments).

Why trash? It’s better for people, better for the planet, and better for performance.

That’s our point of view.

**Atayne and B Corporation Partnership**

Atayne would like to offer all B Corp members 25% off Atayne gear through our website ([www.atayne.com/shop](http://www.atayne.com/shop)). Put this code (**bcorp123**) in the Coupon/Promotional Field at check out and press apply.

Keep it Clean,

The Atayne Team
