BUSINESS DEVELOPMENT INTERNSHIP

PROVOC is seeking a Business Development Intern for an exciting and challenging experience with our team. The Business Development intern will learn how to contribute to the general growth of our business through development of new and expanding accounts. They will rely on experience and judgment to plan and accomplish goals, and will perform a variety of tasks. They will work under general supervision of the Business Development Director, but with a certain degree of creativity and latitude.

Learned and Applied Skills:

- ▲ Work closely with the Business Development Director to identify and help to develop strategic relationships with partners or potential clients
- ▲ Assist in the development of a strong pipeline of new clients and projects in accounts through direct or indirect client contact and prospecting
- ▲ Manage the proposal and contracting process by gathering and synthesizing estimates, preparing project plans and statements of work, and securing signed documentation
- ▲ Work with creative team to report new developments in the business pipeline and communicate specific client business objectives associated with new projects
- ▲ Work with marketing, sales, and product development teams on business development initiatives
- ▲ Work with Project Management to effectively transfer information necessary for initiation of projects
- ▲ Maintain and update system of templates and files for all business development related documentation

(Complete responsibilities to be determined during hiring and on-boarding process.)

Requirements:

- ▲ A bachelor's degree in business, finance or marketing
- ▲ 0-3 years of experience
- ▲ Familiarity with standard concepts, practices, and procedures within our industry a plus.
