

Give Something Back was founded in 1991 to provide office products at superstore prices with unparalleled customer service, while raising funds to support local communities. To date, the company has donated more than half of its profits, nearly \$4 million, to charitable causes. Give Something Back is a founding B Corporation because B Corp provides GSB with the opportunity to lead with and learn from other socially responsible businesses.

Green at GSB

GSB provides businesses next day delivery on over 40,000 products and leads the office product industry with a selection of more than 5,000 green office products, including a wide range of recycled content paper and office products, compostable break room items, and products verified with 3rd party certifications. In addition to a growing green product offering, Give Something Back has developed MyGreenGSB, a web resource center for businesses interested in reducing their office footprint by participating in green office solutions like the Box Take-Back Program, recycling programs, and the Green Audit. Give Something Back – B Corp Partnership

GSB believes that B Corps thrive when they are on the cutting edge of the movement to protect and restore the environment, and at the same time are able to maintain a healthy bottom line. Give Something Back is excited to present B Corp members with a preferred pricing contract which includes an average savings of **18%**. Green products are designated with the green leaf symbol on our website. They include products that are:

- Compostable/biodegradable
- Made from recycled content
- 3rd party certified (Energystar, Green Seal, Scientific Certification Systems, Design for the Environment, Forest Stewardship Council, and Sustainable Forestry Initiative)
