

## Full B Impact Assessments Temporarily Offline

This company is required to meet incremental transparency terms for B Corporation Certification as either a public company or a subsidiary of a public company. Where all Certified B Corporations are required to make transparent summary information in their B Impact Report, this company also makes available the company's full B Impact Assessment. Learn more about [our incremental requirements](#) for public companies and their subsidiaries.

Full B Impact Assessments are temporarily offline as we update our technical processes. We apologize for any inconvenience. If you have any immediate inquiries, please contact [reviewdesk@bcorporation.net](mailto:reviewdesk@bcorporation.net) and we will be able to share transparency information for relevant companies directly. Thank you for your patience as we improve our website.
